

Mesa Vista Parent Meeting Minutes
March 2, 2017

Old Business

1. Mrs. Story thanked everyone for donating their time and supporting the art gala.
2. Reminder given about checking the lost and found during the lunch with a loved one event today.

New Business

1. Mrs. Kettleson updated parents on the start of SBAC tutoring this week. We are awaiting our Lumos Learning licenses that will allow students access to the site to begin practicing in the classroom and at home. Mrs. Kettleson will also give raffle tickets to students participating in the practice tests with weekly prizes drawn. Parent suggestions and help with obtaining prizes are always appreciated!
2. Mrs. Kettleson participated in a conference call with the state representative, attorneys for both parties and our board presidents. Recommendations were made that we reach out to other charter school for consultation.
3. We are going to start SBAC testing the week after spring break. There is a rally committee made up of teachers and the kindness crew that will create goody bags and spread excitement during the testing week. We will also be reaching out to parents to have snacks donated for the week of testing as well.
